Letter to Seniors

Doesn't it feel like yesterday that we were at Freshman Academy? Now we are all making important decisions that will affect our futures, such as where we will go to college or what we will be doing in the upcoming year. During our thrilling trip through high school we experienced many crucial events which have shaped us into the young adults we are today.

Two years ago, on June 3rd, 2012, we lost an extraordinary member of our class: Charlene Holmes. Although we were shocked and heart-broken, we all came together as a community and comforted one another. Friends reconciled and enemies made peace. Chay's life was symbolic, she showed us that life is more valuable than what we can comprehend and that we should all accept and love each other. Therefore, have dedicated our high school journey to Chay.

Our class is quite talented: we have budding musicians, mathematicians, athletes, artists, scientists, and more. It has truly been an amazing journey and a great pleasure to serve and build relationships with you all. Looking forward to 10 years from now, just imagine what we will all have accomplished.

The theme of our yearbook is *Dare to Dream*. It has been our class motto since freshman year and has provided the foundation for us to work to fulfill our personal and class-wide aspirations. Through hard work, creativity, and perseverance we believe that all of us will live remarkable lives and become successful despite any circumstance.
Continue *Daring to Dream* and always reach for the stars.

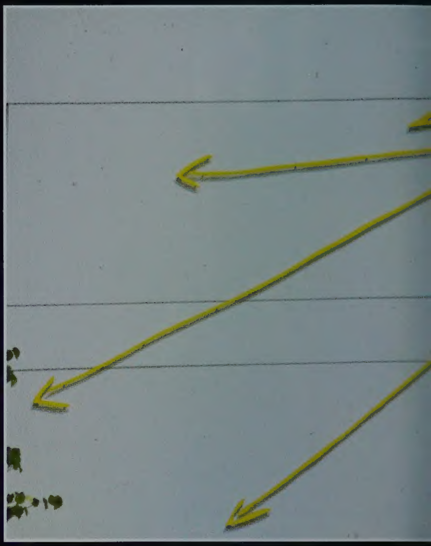
Good luck, live life, and enjoy your Yearbook,
Love, your Class President & Yearbook Editor-in-Chief,
Sole Nazaire and Chloe Adler

Our Dearest Filo

As we prepare to leave high school and start our next stage in life, we take with us a very important person from Rindge, Maria Filomena Silva (Filo). As she walks down the hallways, her extravagant voice and the jingling of her keys let us all know she was coming, calling us 'mamacita.' Filo has been working at Rindge for many years and knew that she would retire along with the Class of 2014. As Learning Community L Dean of Students and our leader at Freshman Campus (along with Mr. Gehant) our class has gotten the chance to really know and love her! Filo has always tried to guide us in the right direction, whether she was handing us detention slips or giving us advice. She has recognized the potential in every single person who entered Rindge, even if no one else did. Filo has been with us from the start of our high school career and is a prized member of the community at CRLS. The graduating class of 2014 takes with them Rindge's dearest Filo, Dean of Students and Dean of Love.

Remembering Chay

Charlene Holmes (Chay) was taken from us on June 3, 2012, one of the hardest days for both her friends and her family. Every day our class continues to keep Chay's spirit alive. We remember Chay for her smile, her voice, her energy, her advocacy against bullying and so much more. Chay always looked out for her peers and treated everyone with respect. She was friendly, smart and intelligent, losing her was difficult for the entire community, CRLS and beyond. Though letting go was hard, Chay's legacy will always stay with us. She is gone, but never forgotten.



School Opening

Welcome to the 2013-2014 school year at CRLS. The class of 2017 was welcomed to a group of juniors and seniors who gave the new freshmen a tour of the school and who became their freshmen mentors for the year. Principal Smith gave a heartfelt speech about the new year and made the freshmen feel at home. Students and teachers were welcomed with new wall art hanging in and outside of the school buildings. The welcoming of the new class of 2017 and the rising of the class of 2014 as the new seniors, created much excitement for the new year!

Homecoming

The Homecoming game is one of the most popular events at CRLS. The Homecoming Queen and King were seniors Jordan Poindexter and Clyde Valentin. The Homecoming event went from a football game to the ever popular Homecoming dance hosted by the Student Government. The dance was filled with lights, lanterns, food, and dancing. It was a great success!

Falcon Pride Day

Of all the CRLS events, Falcon Pride Day is dedicated to students showing their school pride in preparation for the Thanksgiving Football game. It is the day of no work, and all fun and games. Dressed in red, the seniors brought their game on during tug of war, minute to win it games, the dance contest, and the basketball game. The four stations the students went to were the theater for the musical performances, the cafeteria for the carnival, the field house for minute to win it games, and finally the gym which held the pep rally and competitive sport activities. For the seniors, it was a day to get rowdy and to show the last school pride until graduation.

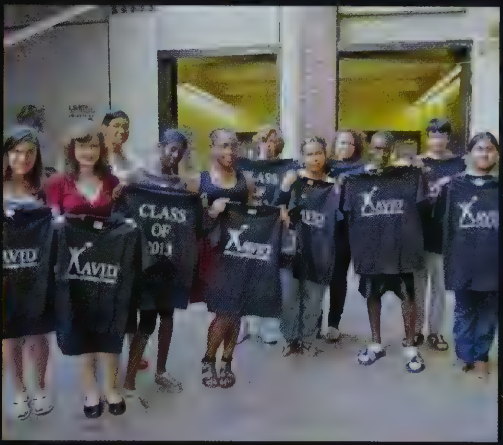
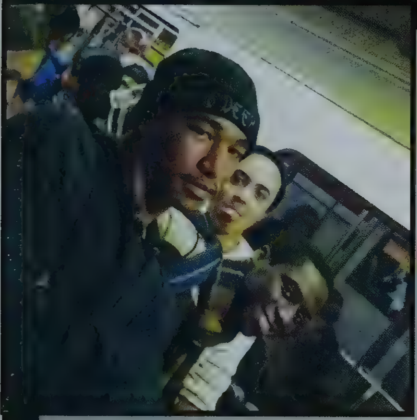
Rindge School of Technical Arts: Where Excellence is Part of Our New Tradition

RSTA students are provided with state-of-the-art instructional resources and tools in an environment that is safe, healthy, and fully modernized. RSTA programs include Automotive Technology, Biotechnology, Business Education, Carpentry, Culinary Arts/ Hospitality, Early Childhood Education & Care, Engineering, Creative Design, Graphic Communications, Health Assisting, Information Technology, and Media Technology.





AVID
CLASS OF 2014

The AVID program is an honors program for high school students planning to apply to four-year colleges and universities. In the AVID elective course students study writing, inquiry, collaboration, reading, note taking and study skills, as well as participate in college/career/motivational activities. Since 2008 all AVID graduates have been accepted to four-year colleges, and have been awarded more than 3 million dollars in scholarships. With Leslie Davis as AVID Director and Jennifer McConnell as the AVID Senior Teacher, the AVID Class of 2014 are heading for success.

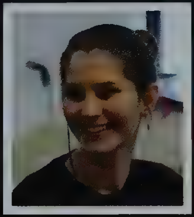
STARs



STARs, which stands for Students Teaching and Advocating Respect, is a peer leadership class for juniors and seniors. In class, students are expected to create workshops, assemblies or what they feel is necessary in order to spread awareness on an issue they are passionate about. At the same time, STARs class focuses on creating leaders. Once or twice a week a student is given the role of being the teacher for the day by leading the class in an activity. STARs students also focus on leading discussions about issues that currently arise in our society. From presidential decisions, to murder trials. As a STAR, students learn to focus on what is important to them as they become seniors in high school, freshmen in college or starting their careers. They learn to take a step out of their comfort zone and take control of changing their world. Students in STARs start as individuals attending the same school and end as a family of leaders.

MSAN

The Minority Student Achievement Network (MSAN) is a network of school districts across the country that work independently and collaboratively to close achievement gaps. In Cambridge, the program exists as a student club, an elective course called Racial and Cultural Identities, and the MSAN community meeting (CM). This year, CRLS students participated in the annual MSAN Student Conference held at UMass Amherst. MSAN students also attended lectures and events by scholars Mark Anthony Neal and Christopher Emdin.

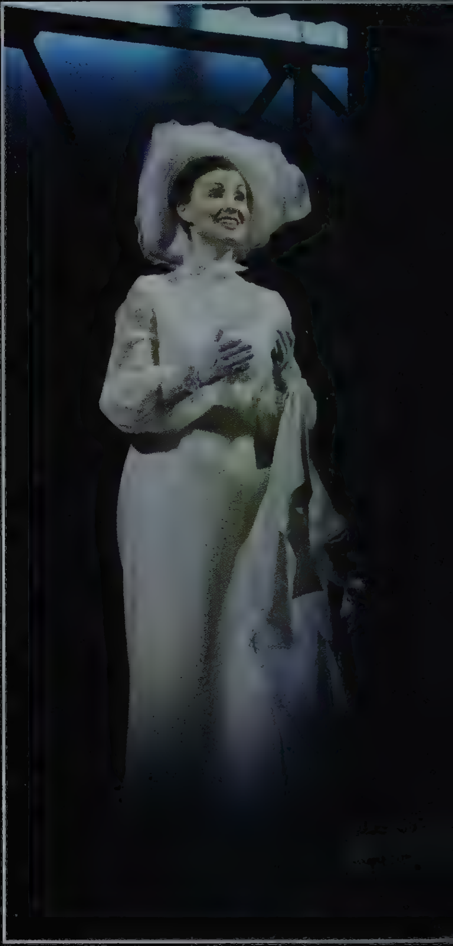
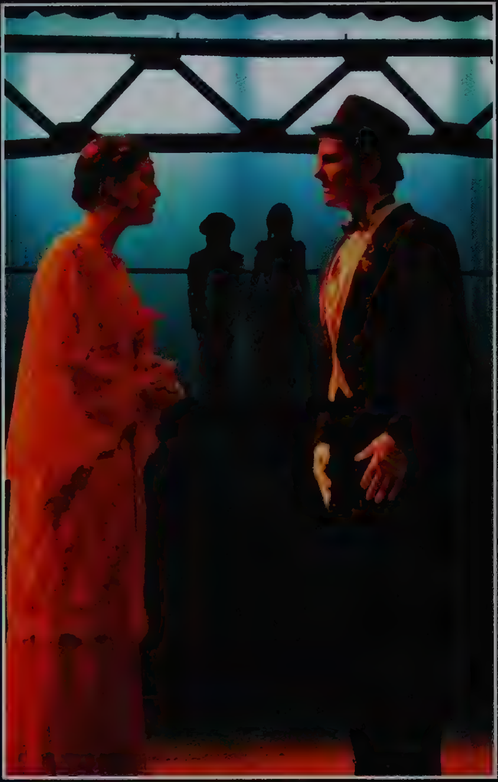
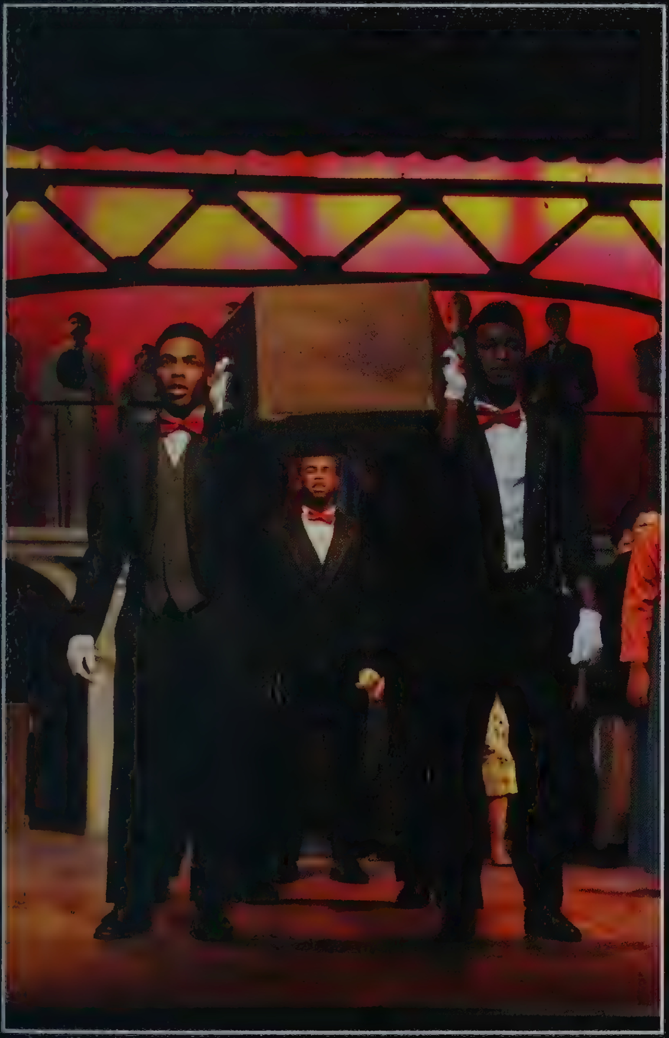
RAGTIME

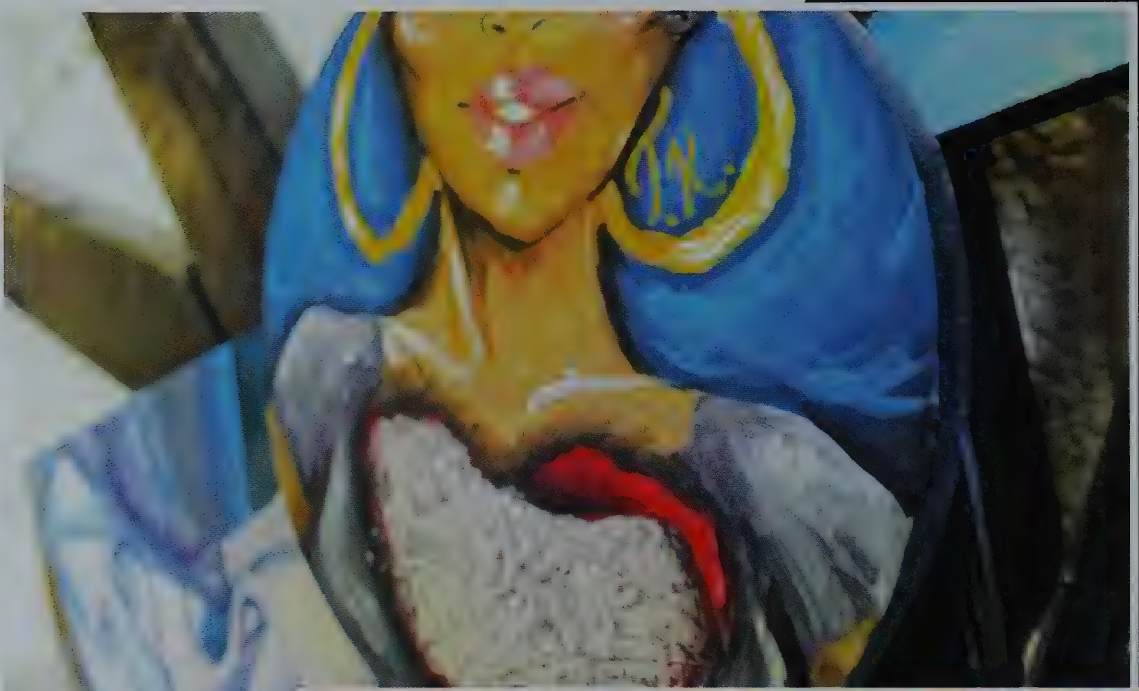
This dazzling group of students took us back in time to tell us the story of two lovers caught in a tangled web of racism, betrayal, poverty, and hope. Set in the early 20th century, Ragtime follows the life of Sarah, a young African American woman and her lover Coalhouse Walker after being taken in by an American family. The play examines race, immigration, innovation, and class at the turn of the 20th century through multiple perspectives. In addition to Coalhouse, the story is told through the eyes of a recent immigrant and charismatic single father by the name of Tateh; and the optimistically misguided man by the name of Mothers Young Brother. The CRLS production was well-received with a total of 2,500 tickets sold!







Visual Arts



This art mural is located outside the Learning Community R office and is the first thing students see when crossing over the bridge to the arts building. The entire mural consists of beautiful student artwork exhibiting our commitment to fine arts.

Winter Formal

The Winter Formal is a fairly recent development, but has become a loved tradition at Cambridge Rindge and Latin. It's the only dance that Student Government holds outside of school, excluding prom. Since the Class of 2014's sophomore year they have enjoyed their time at the Sheraton Commander. The ball room is beautiful and the hotel serves very delicious and refreshing food and drink. The Winter Formal always comes around the end of the semester, so for the Seniors it was a chance to celebrate after a rigorous semester, college applications and any other achievement made. Winter Formal is an opportunity to step out of winter hibernation, dress fabulous and enjoy a formal evening.

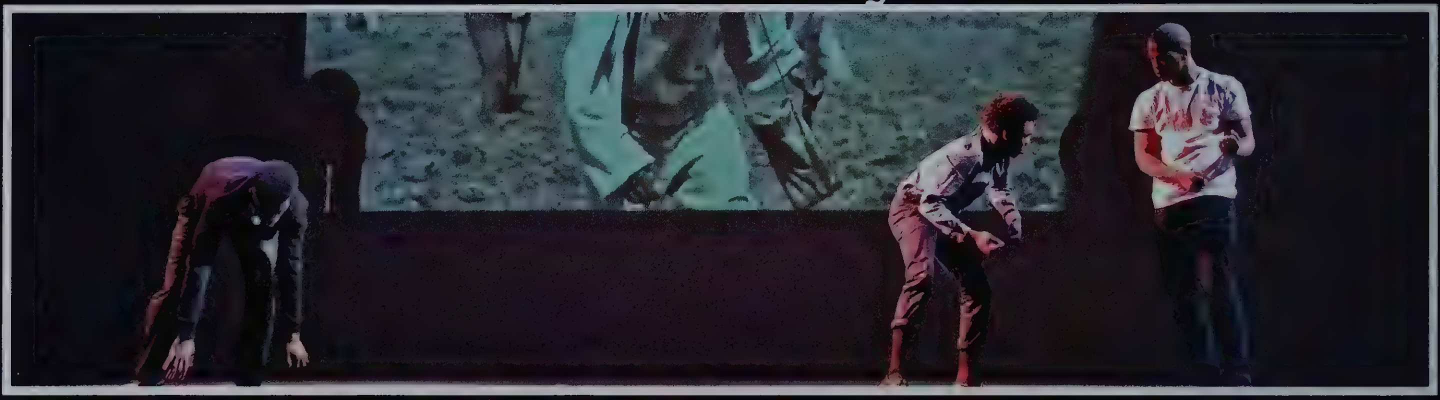
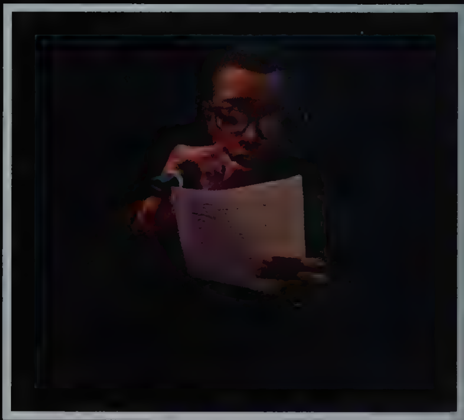
Valentine's Day

With carnations and singing valentines, it's no wonder why CRLS students get so excited about Valentine's Day! From 8 am to 2:30 pm unsuspecting students are serenaded by our amazing acapella groups! Aside from that, students are also able to purchase small tokens of appreciation for their friends from clubs like Student Government and Sisters on the Runway!

Black History Month and P10 Assembly





Red Carpet Affair

This year the class of 2014 hosted the Red Carpet Affair to fund-raise for Senior Prom. The media cafeteria was decorated beautifully with lanterns, lights and a red carpet. Student Government also raffled off a free prom ticket, a free yearbook and free senior gear. This was the last official school dance excluding prom, and the senior class made it a huge success! The second semester seniors were able to celebrate their accomplishments and enjoy one last dance in school.
